

## Are rusty wheel hubs bad?

Our company offers different Are rusty wheel hubs bad? at Wholesale Price? Here, you can get high quality and high efficient Are rusty wheel hubs bad?

Say NO to rusty wheel hubs - Forums I put on some rust proof so we'll see how they hold up. If it comes back bad again, I will end up painting them

IS it normal for the center wheel rim part to rust on a new car That's your wheel hub and axle, rust is normal if left exposed. Nothing you can do now, next time spray it with fluid film before winter. jzmtl wrote: That's your wheel hub and axle, rust is normal if left exposed Anyone Know How to Get Rid of Rust on Wheel Hubs? - BMW Mine was really bad too. I used an SOS pad and some really light steel wool. For long term though I wanna protect it. I've considered using an anti-seez

Rust in Wheel Hubs - VW Golf R MK7 Chat - VWROC - VW R on it with rust on the wheel hub (see attached picture). How has a 16 plate got such bad rust and why hasn't the owner done something about \*\*\*No More Rusty hubs DIY\*\*\* - BMW 3-Series - Bimmerpost  
 Once the wheels are off the hubs look horrible as you can see in this pic. As you can see the inner hub is the worst. I could not deal with this any more so I decided

VW - Wheel rusting hubs - Page 1 - General Gassing  
 Feb 3, 2018 — It's the brake disc and not hub. Alloy wheel cleaner etc doesn't help changed them on one of our cars at 3yrs old as they looked bad, but, Wheel Hub Rust - Looks unsightly  
 Jul 16, 2013 — I have corrosion on all of my wheel hubs (that probably not the right in the showroom had rusty rotors, very bad show from a premium brand I
